

## It's Beginning to Look a Lot Like Christmas

It's beginning to look a lot like Christmas,  
Everywhere you go

Take a look at Birdwell club, a glistening Christmas pub,  
With a bright Christmas star, serving drinks at the bar,  
thanks Joe!

It's beginning to look a lot like Christmas  
Toys in every store.

But the prettiest sight to see is the closed sign that will be,  
On the school front door

A pair of new football boots and an iPhone would suit  
the wish of Ollie and Jenny.

A big Christmas bonus and a lie on the sofa  
Is the hope of Mr Bennet

And Mom and Dad can hardly wait for school to start again

It's beginning to look a lot like Christmas  
Everywhere you go.

Advent calendar in Birdwell school, that's huge and kinda  
cool,

Risk your life climbing up to open up each window!

It's beginning to look a lot like Christmas  
Soon the bar will start!!!

And while Joe fills up your glass, come and join in with our  
class, and sing from your heart

*{Dance-girls vs boys}*

It's beginning to look a lot like Christmas  
sing along with me!

That the very best school by far, is full of the little stars  
of Bird-well , Pri – ma -ry!

...Sure it's Christmas, once a-more...
